It's time to clean out the attic!

Where: \_\_\_\_\_

What day? \_\_\_\_\_

What times? \_\_\_\_\_ to \_\_\_\_\_

**What is accepted?** Furniture, clothing for all, baby gear (no more than 8 yr old), bedding, towels, basic home goods, kitchen goods, books, small electronics, clean mattresses, cribs, working washers, elec. dryers.

**What is NOT taken?**

**No toys, sports equipment, no huge furniture (must fit in a van), no decorations, baskets, or anything broken rusty or dirty**

**Who is the Wish Project?**

In 2008 we provided more than \$1million in value of free furniture, clothes, home goods and baby gear to more than 25,500 clients being helped by more than 65 social service programs. Free furniture means a family has a table to gather for dinner, children now have warm coats and blankets in the winter and babies get basics such as diapers and cribs to sleep safely.

**From your attic to a needy home, one wish at a time.**
