

# Home Clean Home

*The Wish Project helps more than 20,000 needy clients each year to get basic home and baby goods. More than 750 families receive complete furniture and home goods once they move from a shelter to an apartment. With the rising costs of fuel, food and rent cleaning supplies just are not in the budget. Please help these moms keep these apartments clean, healthy and safe.*

## **Collecting: New cleaning supplies**

**mops, brooms, buckets, sponges, paper products and working vacuum cleaners**

**Where:**

**Dates:**

**Drop off Hours:**

**Contact/Group:**

**Contact Phone:**
