## WINTER WISHES OPEN YOUR HEART ONLINE AUCTION

**View Auction Items and Bid NOW! Bidding ends February 11th at 8pm!**

**At our "Winter Wishes Open Your Heart" online auction, February 8th - 11th, there will be lots of auction items perfect for gift giving for your special Valentine!**

Like many non profit organizations, in person fundraisers are still not possible. Because of this, we will be turning to technology to make our biggest fundraiser of the year possible. This years Winter Wishes will look different from years past, but we are so excited! We will be having an on-line auction February 8th-11th with a Valentine's theme. Purchased items can be picked up before Valentine's Day for easy gifting! We have gone out of our way to include the usual items that people always love - gift baskets, gift certificates, lottery tickets, etc., but we have also included several very fun and different items!

All proceeds go to support our mission, which has never been needed more than it has during this time of COVID.

This year, The Wish Project has supplied clients with thousands of face masks, paper products, hand sanitizer, and household cleaning kits and hundreds of headphones, for children to use while home schooling - these things were not planned! But we are able to make it happen thanks to the hard work of staff and volunteers and our generous donors.

All auction items are available to bid on NOW! Be sure to check out our link, because bidding ends Thursday February 11th at 8pm.

**Caseworker, Lynn, from Pediatric Physicians' Association regularly stops by the warehouse for essential items for her clients.**

Grace, received the following message from Lynn this week, "thank you for the formula today. The mom we are helping has said the support she has been receiving has helped her so much. She feels so much better about everything in life and you guys helped us do that". Thank you to all of the donors who have made this

possible. You are changing lives for the better with every donation made.

We have recently made some changes in the way we are tracking our incoming donations. As we use this new technology, we ask for your patience and understanding. We have discovered a few errors that may have resulted in some donors not receiving a thank you letter. Please know that your gift was received and very much appreciated. If you need documentation for tax purposes, please

email [crystal@thewishproject.org](mailto:crystal@thewishproject.org) .

As always, we are continuing to receive donations shipped anonymously to the warehouse. We are so very grateful for all of these donations.
