## Celebrating Moms in the Merrimack Valley

### Mother's Day Gift Bags Project

Many of the women that we have helped have suffered a life altering crisis. Each year, hundreds of these women struggle to make a better life for themselves and their families. Our goal is to recognize the tough struggle of Moms in our community with a small bag of necessities and gift items.

Please help us reach our goal of gifting 1,000 bags to local women struggling with homelessness, poverty, and other challenges. We are accepting donations of complete bags, donations of bulk items to make up bags, and monetary donations to purchase the items for each bag. Please have all donations to the warehouse no later than Saturday April 24, 2021. Please visit our [Mother's Day project page](#) for more information or email [Lori](#)

## BUILDING A STRONGER COMMUNITY

The Chelmsford Sai Center has once again gifted us with our greatest needs. This wonderful community partner has reached out again to offer assistance and their members quickly responded to our pleas. They have donated diapers, infant formula, clothing, household items, cleaning products, and hygiene items. Working together, with organizations such as the Chelmsford Sai center, we can do much more to help those in need in our community.
